

Memorandum of Understanding (MoU)

Participation in the proposed IPCEI “Hydrogen Mobility and Transport”

To whom it may concern,

The province of Zuid-Holland hereby confirms the intention to participate in the IPCEI “Hydrogen Mobility and Transport”. In case of acceptance of the proposed IPCEI by the IPCEI-coordinators, it is our intention to cooperate with all partners within the wave and provide all necessary documents for pre-notification.

Our project NL 22/ RH2INE Kickstart IWT supports the objective of developing and introducing hydrogen in the European transport sector in the IPCEI "Hydrogen Mobility and Transport" through the contributions presented in the attached Project Questionnaire.

We declare that this MoU is non-binding, constitutes an indication of intent only and creates no liability or obligation of any nature, and does not commit the parties to any exclusivity. We may withdraw from this MoU at any time without cause and without incurring any liability to each other or to any third party. Insofar any claims/rights are excluded.

This letter does not create any partnership, joint venture or any similar entity or relationship. The province of Zuid-Holland through its execution does not incur any financial liability towards any party involved in the above mentioned IPCEI proposals.

Kind regards

Jeannette Baljeu
